OPEN FORUM MEMBER MEETING – Wednesday, March 23rd

I am excited to invite all of you to a Members-only forum being hosted on Wednesday, March 23rd with the teams from New Martis Partners (the ownership group), Communication Links (the marketing partners), and BlueStar Resort & Golf (the management company). The complimentary event will be held from 4-6:30PM at Moody's in historic downtown Truckee, and topics of conversation will include the new name of the community and Club, an interactive discussion of some of the membership structures being considered, and of course, plenty of time to meet the new group and put faces with names. If you are able to attend, please simply email me (clint@timilick.com) your RSVP by Friday, March 18th.

As I've begun working with this group, what makes me most pleased is New Martis Partners' commitment to genuinely engaging the Members. Once you have a chance to meet them as well, I'm certain you will discover what I have found thus far: the assembled team has the resources, expertise, and humility to be successful in making our Club what we all know it can be.

2011 OPENING DATE

Though the course is under a thick blanket of snow right now, it will not be long before the sun is out, the warmer summer temperatures arrive, and we're all ready to put that first tee in the ground. As usual, we will be somewhat weather dependent, but right now we have targeted Friday, May 13th as our opening date. If there are changes to that, I will obviously keep everyone informed.

SUMMER EVENT SCHEDULE

One of the great elements of a private club is the ability to build lifelong memories through great events like the Club Championship, Member-Guest, and Couples Championship. I am still working through finalizing the 2011 calendar, and I will communicate with everyone in the April Newsletter the dates to be sure to set aside on your calendar.

QUESTIONS OR COMMENTS?

The team here is looking forward to the March 23rd event (and others like it that we will have over the next few months), but if you have any questions or comments in the meantime, I encourage you to contact me directly at any time at 916-716-6356 or clint@timilick.com. Member support is the lifeblood of the Club, and it is a priority of the New Martis Partners team to keep our Members informed as we re-introduce what we know will be the finest golf community in the High Sierra.
