

## MAY 2011 CLUB NEWSLETTER

FROM CLINT BASSETT, DIRECTOR OF GOLF

### UPDATE ON OPENING

Predicting Mother Nature is always a dangerous game, but late April has been accommodating for snow melt, and it appears as if early May will be the same. Therefore, we are tentatively targeting May 20th as the first day when some holes will be available for play on the Meadow nine. As additional holes become playable, they will immediately be available for Member play.

### LAUNCH OF SCHAFFERSMILL.COM

We are excited to introduce the all new [www.SchaffersMill.com](http://www.SchaffersMill.com) this month, a comprehensive site that includes information on golf, the community, and also a new Members-only section designed to specifically suit the needs of Members. Websites are never really “done”, so while we are excited about our launch (expected soon), please be sure to stay tuned to see new enhancements added throughout the year.

### CALL FOR MEMBERSHIP ORIENTATION AND ENROLLMENT

The final touches are currently being put on the Schaffer's Mill Club Membership Plan, and as many of you know, we are working to schedule individual information/enrollment sessions with all of the current Members of Timilick Club. These sessions will begin mid-May, and while not all the details are complete, we are confident that all Members are going to be extremely excited about the transition plan. I will be contacting Members directly to arrange times.

### “NINE-WINE-DINE”

Our first member and homeowner-only golf event of the season will kick off on Friday, June 10th at 3 pm with 9-holes of golf, followed by food and drink on the patio. In honor of New Martis Partners and the new golf season, we're calling this the “Start of Something New Nine-Wine-Dine” The event will be catered by Randy Anger who is one of Tahoe's premier private chefs, and Wine will be provided by one of the region's top wineries. The price is \$75 per person. Please RSVP by Monday, June 6th to [cbassett@schaffersmill.com](mailto:cbassett@schaffersmill.com).

In late June, the Club will be hosting the first in a series of small Member Preview Events. These events, designed to introduce potential members to the benefits of Schaffer's Mill, will be open exclusively to invited guests of current Members and the Club team. If you know someone for whom Schaffer's Mill may be a fit, please send their name, phone number, email, and address to [cbassett@schaffersmill.com](mailto:cbassett@schaffersmill.com) and I'll be sure both you and they are included on the invitation list. More information on these events coming soon.
