SCHAFFER'S MILL CLUB TO REMAIN OPEN FOR PLAY THRU OCTOBER

Truckee, Calif. – Schaffer's Mill Club, the acclaimed John Harbottle and Johnny Miller-designed golf course, will remain open for member and non-member/guest play through the end of October. While many Truckee/Lake Tahoe area golf courses close for the season by mid-October, Schaffer's Mill is betting Mother Nature will delay cold temperatures for a few weeks. The average October daytime temperature in Truckee is a comfortable 62 degrees.

“After a late start to our golf season thanks to a couple of late spring snowstorms, we had an incredible summer at Schaffer's Mill Club,” said Director of Golf Clint Bassett. “We've more than doubled our Club membership, completed our interim golf and sales facilities and experienced healthy member and guest play. By keeping the golf course open for a few extra weeks, we believe we can satisfy some of the pent-up golf demand for Members and guests.”

The Schaffer's Mill Club is a private facility by charter; however, as the Club grows a limited amount of non-Member/guest play is available on the golf course. Special October non-Member/guest rates range from \$105 to \$145 depending on time of day and day of the week. Tee times may be arranged directly through the professional team in the Golf Shop by calling 530-582-6964 or online at www.schaffersmill.com. For all reservations made for October, the Schaffer's Mill staff will ask for a guest's phone number and will be in contact if inclement weather hits or is in the forecast.

About Schaffer's Mill

Schaffer's Mill, a 475-acre, 400-homesite gated community and private golf club located just east of Truckee was formerly known as Timilick. Named after the “Father of Truckee,” George Schaffer, Schaffer's Mill pays homage to Mr. Schaffer, his ideals and vision. New Martis Partners acquired the exceptional, but beleaguered property in January 2011 and immediately set about to rebrand and reposition the community.

Open since 2008, the Schaffer's Mill golf course was recognized as the "#1 Best New Private Course in California" by GolfWeek magazine. The Miller and Harbottle design weaves its way through the towering pines as if painted with an artist's brush, with two distinctly memorable nine-hole experiences. The Meadow nine ambles through firs, spruce and Ponderosas at the base of a ridge, while the Mountain nine showcases elevation changes of up to 400 feet, with magnificent 360° views of the Martis Valley, Lookout Mountain and the Carson Range. The par 71 course plays to over 7,000 yards and is considered by many as the finest golf course in the Tahoe and Truckee area.

The Club also offers access to a private yacht on world-renowned Lake Tahoe and the local skiing at Northstar, Squaw Valley and various ski resorts. For more information on the new Schaffer's Mill community and golf course, visit www.schaffersmill.com.
