CLUBHOUSE VILLAGE

The Clubhouse Village at Schaffer's Mill is inviting and comfortable. Designed by Ward Young Architects of Truckee and located in the center of the Schaffer's Mill community, the Clubhouse Village features a collection of buildings, water features, play areas and a community gathering spot, known as Schaffer's Square, all designed to bring families together with nature and celebrate Truckee's four seasons. The North Village includes The Sports Shop, members-only men's and women's locker rooms, Millworks (workout facility), The Family Pool, Peg's Poolside and Schaffer's Square.

In 2019, we debuted the second phase of the Village, with our feature restaurant, The Sawyer Schaffer's Mill. Set with spectacular views over the golf course and to Northstar, the South Village includes The Sawyer as well as new at-the-turn dining for golfers (The Whipsaw), and a magnificent private dining room complete with private member wine storage.

SCHAFFER'S MILL ADVENTURES

The knowledgeable staff at Schaffer's Mill is eager to help Members enjoy their time in the mountains by providing tips, insights, recommendations and directions as well as sharing unique local knowledge about favorite fishing spots, hiking or biking trails and stories that can add to your enjoyment of a particular sport. Guide services can also be arranged through the Schaffer's Mill Adventure Team.

BASE CAMP

While visiting Northstar, Base Camp serves as a Mill member's first stop in the morning and last stop in the afternoon. Located across from Starbucks in Northstar Village, Base Camp provides members with handy conveniences such as:

- Ski equipment and snowboard storage
- Boot dryers and day lockers
- Hot coffee, tea, cocoa and water
- A warm place to relax and rejuvenate before or after a day on the mountain
- A small lounge with televisions to catch up on the latest scores and news
- Entertainment for kids and families

Combine the club's Shuttle Service from Schaffer's Mill to Northstar, with Base Camp's storage, comfort and ease, and you have an incredible ski-in, ski-out-like experience.

GOLF

Schaffer's Mill was recognized as the "#1 Best New Private Course in California" by GolfWeek magazine in 2008, and the accolades have continued to come in ever since. The Johnny Miller & John Harbottle design weaves its way through the towering pines as if painted with an artist's brush, with two distinctly memorable nine-hole experiences.

The outward or "Meadow" nine ambles through firs, spruce and Ponderosas at the base of a ridge, while the inward "Mountain" nine showcases elevation changes of up to 400 feet, with magnificent 360° views of the Martis Valley, Lookout Mountain and the Carson Range. The par 71 course plays to over 7,000 yards and is considered by many as the finest golf course in the Tahoe and Truckee area.
